Thailand is a country in Southeast Asia with coasts on the Andaman Sea and the Gulf of Thailand. It borders Myanmar (Burma) to the northwest, Laos to the northeast, Cambodia to the southeast and Malaysia to the south. With great food, a tropical climate, fascinating culture, majestic mountains and great beaches, Thailand is a magnet for travellers around the world.

This Symposium comprises research forum, corporate governance forum, plenary paper sessions and concurrent paper sessions; preceded by a doctoral consortium.
Plenary Paper Sessions
The Symposium will provide accommodation (single occupancy) for three days, waiver of registration fees, and reimbursement for a return economy class airfare of a maximum of USD1,200 for one author of each accepted paper. Accepted papers will be published in the JCAE, subject to satisfactory revisions and the Editors’ approval. Authors will be required to sign a copyright release form as a condition of publication.

Best Paper Award: The best paper for the plenary paper sessions will receive a cash award of USD1,000.

Concurrent Paper Sessions
Authors who do not wish to commit their papers to the Journal are invited to submit their papers for consideration at the Concurrent Paper Sessions. There will be no subsidy for registration fee, airfare and accommodation. Concurrent Paper Sessions comprise individual presentation of papers and discussant comments.

Guidelines
For submissions, an electronic version of the manuscript in MS-Word format should be submitted to j.cae@polyu.edu.hk. Manuscripts that have been previously published must not be submitted. All submissions are subject to a double-blind review process. To ensure anonymity in the review process, authors are requested not to identify themselves directly or indirectly in the body of the paper.

Submissions must be received no later than August 17, 2015. Authors will receive notification of the Editors’ decision by November 6, 2015. Plenary submissions not selected for plenary sessions will be considered for the Concurrent Paper Sessions. Authors who do not wish their papers to be considered for Concurrent Paper Sessions should clearly state this in their submission.

The JCAE is a tri-annual publication which publishes in April, August and December by Elsevier. While there is a special focus on issues relevant to the Asia-Pacific region, the Journal also encourages submissions from countries outside the Asia-Pacific region in the following major areas as related to accounting and auditing issues: financial contracts, corporate governance, capital markets, financial institutions and economics of organizations.

JCAE is widely recognized as a high quality journal by researchers and journal evaluation institutes. For example, since 2010, JCAE has been ranked an “A” grade journal in the Journal Rating Listing of the Australian Business Deans Council (ABDC). Currently, JCAE is supported and sponsored by the Hong Kong Polytechnic University, Monash University, Malaysia and University of Technology, Sydney.
